Bushy House.  
 Monday  
 Night.

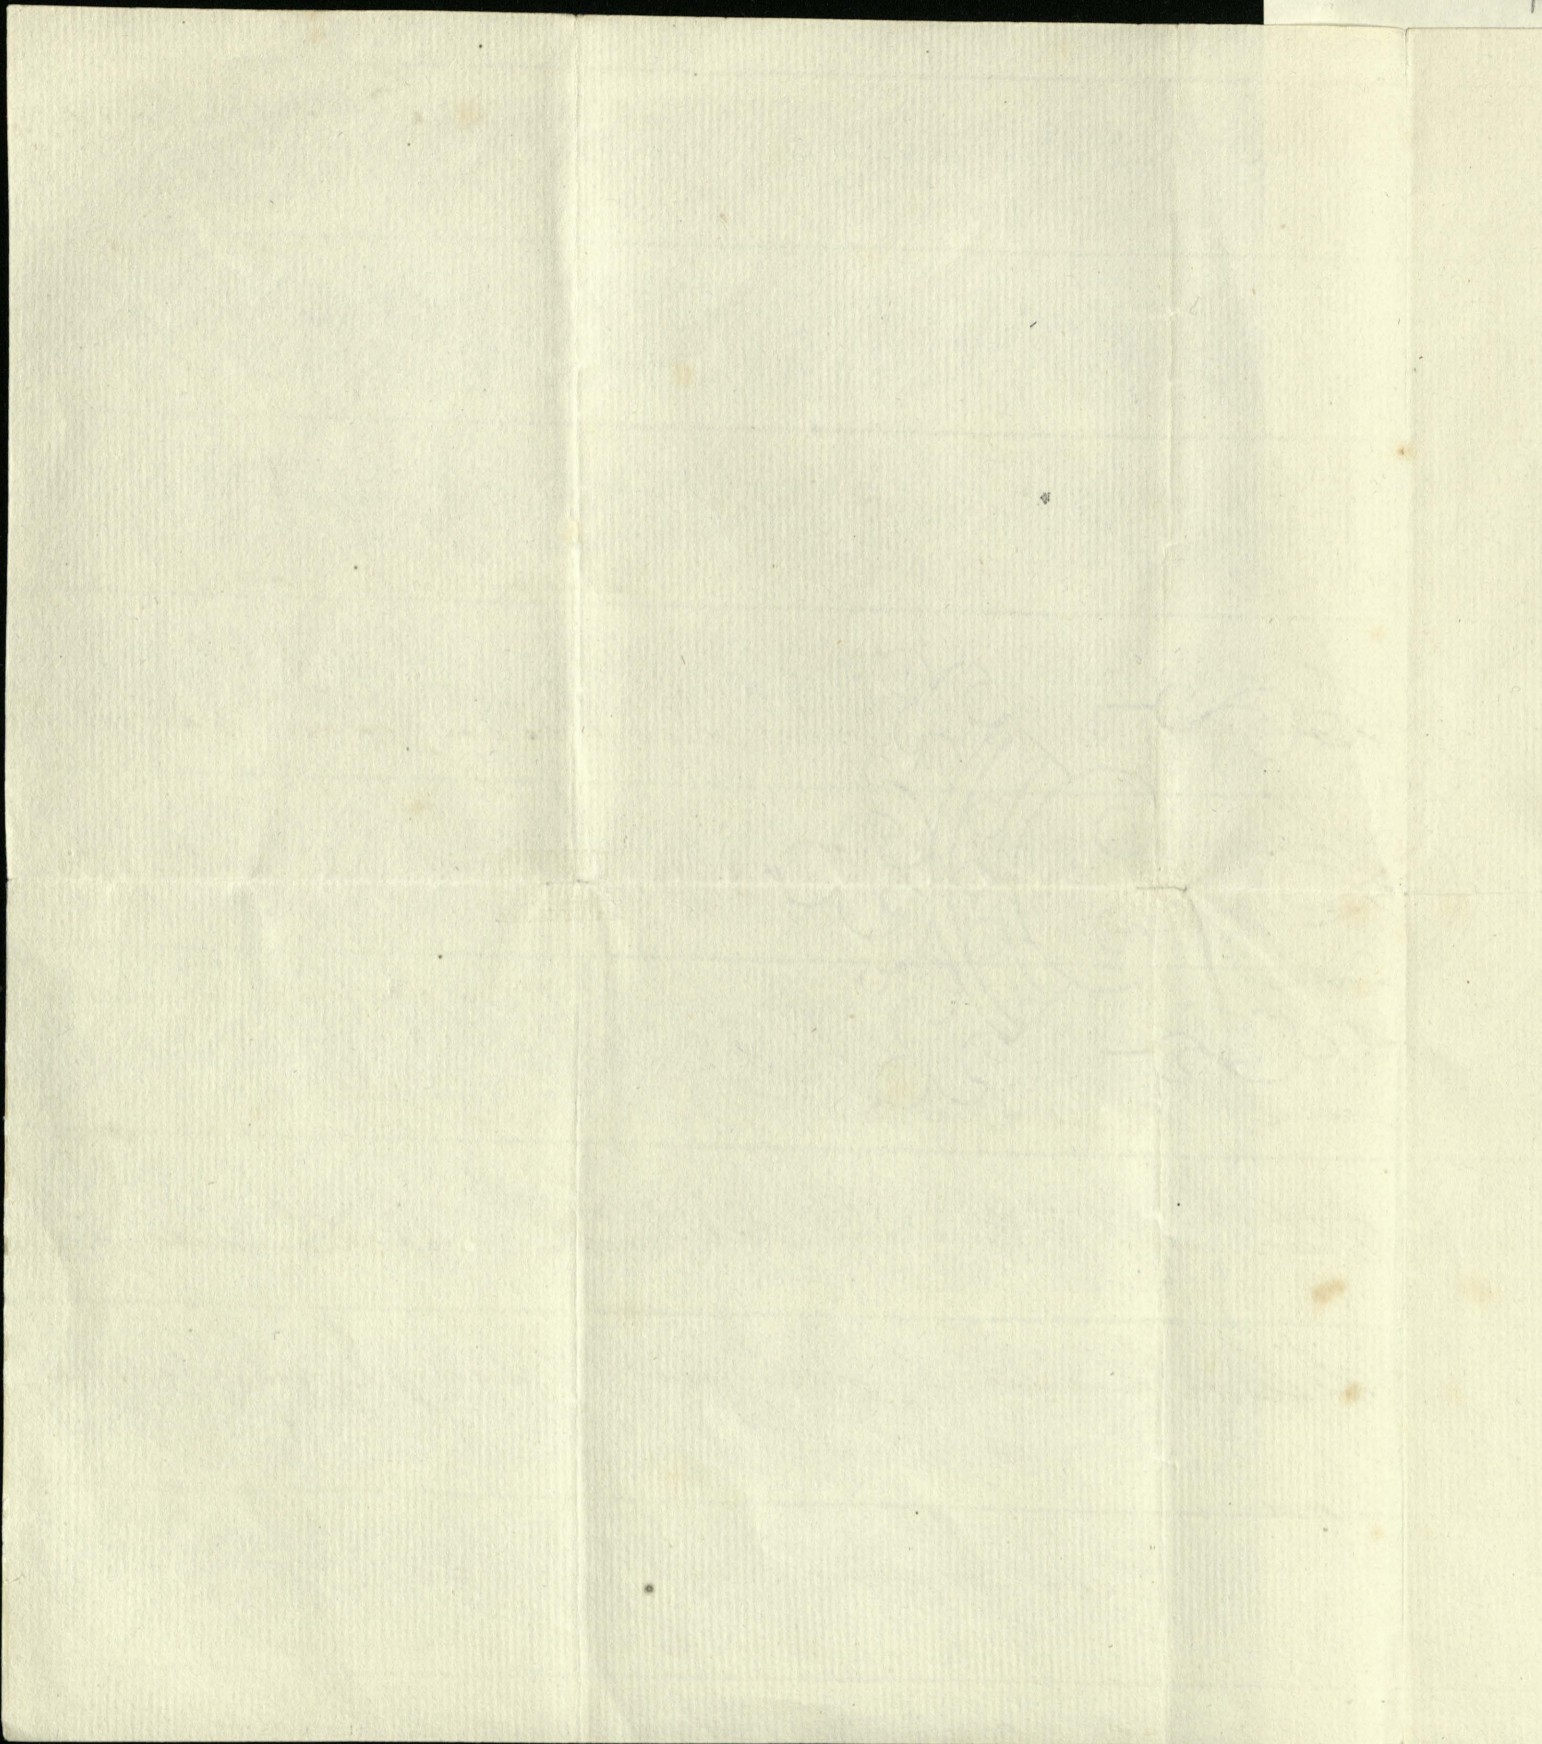

Dear Madam,

In answer to yours which  
 I received this evening I am to inform you con-  
 -ly if any thing should prevent it I intend to  
 -ring all my daughters and their sisters from  
 next Monday till the end of the week and  
 they may therefore see their mother every day  
 till she leaves Cadogan Place for her accom-  
 -on.

Ever believe me,

Yours sincerely  
 J. Pitt Rivers
