

L^o: 15.

Answer.
Jan^r: 16: 1818

Dear Daniell,

This morning has brought me
yours L^o: 15 and its various enclosures which I
return signed:

I am glad to find that he has begun to sell the cows:
he appears to me to be going on very well: I hope
he and Col^l: which will be able to fill the stone
yard.

Yours news of Mrs. A. does not surprise
me: I can believe any thing he says of her: all men
have a tendency to believe me.

Yours sincerely

J. H. Williams
