Dear Daniell,

Your L: 40 reached me this
morning and its various enclosures which I return of
course signed as usual. I am very glad Frederick has paid
you a visit and I hope Phyllis did also. I hope she was
on a visit to Mr. Frazer at Hampton Wick. I hope
the new gardeners will entertain me in your good
opinion. I see the Bailiff has accounted for the
Twenty Pounds and must in future furnish a return some
time give him. I altogether approve of the arrangement
respecting granting the Bank. I think and trust now
that Allen is gone we shall have good honest or
der in the three departments. The Post Office &c.

times see my flock of sheep:

The Dutchess is getting quite well and desires her
best wishes and Compliments: adieu adieu believe
me,

Yours sincerely
