Dear Sir,

In answer to yours

of the instant I am to advise that the
health of the Dutchess will not per-
mit her attending in one of our damp
churches at this season of the year
and unavoidable and unexpected busi-
ness will prevent my being in Lon-
don next Sunday. I however autho-
rize you to draw on Mr: Baxter for
five pounds to give to the Charity School

which I trust with all my heart
will produce something for the spiri-
tual benefit of your excellent Insti-
-tution.

Ever believe me,

Dear Sir,

Yours sincerely

W. Williams
