

(75)  
Bushy Park Decr. 22.

Dear Sir

I received last  
Evening your letter of Tuesday  
with the parcel from the  
Silversmith but there was  
no Bill with the Silver  
Articles. I am very much  
pleas'd with them all and  
feel much oblig'd to you  
for the trouble you have  
taken. It is doubly valuable  
to me as I know how

precious your time is.  
Accept therefore my best  
Thanks. I shall feel  
obliged if you wd. forward  
me the Bill.

As you have not yet paid  
I hope you will perhaps  
take from that sum  
the 10<sup>th</sup> I owe you  
for the Subscription  
to the Scottish Hospital  
& send me the remainder  
of the sum as I am in

want of money & cannot  
have none at Kingston. <sup>The</sup> ~~King~~  
Kingston <sup>Bank</sup> notes I possess  
are of no value, & <sup>now</sup>

I have therefore no money  
to pay with. — Or, if  
you think a penny ought  
to be paid immediately I  
must ~~but~~ sell ~~all~~ <sup>some</sup> of  
my Exchange Bills, ~~not~~  
to pay my debts with  
and to follow the Example  
of the Banks. I do not  
wish to become fashionable

w like to pay when I buy  
things.

They to be remembered  
most kindly to Mrs Barton  
a remembrance, Dear Sir

Yours  
gratefully &  
sincerely  
Charlotte
