

Bushy House.  
 Dec: 8: 1824.

My Dear Lord,  
 I yesterday received yours  
 of instant announcing the death of  
 Mrs: Smith. Having a very sincere regard  
 for your Lordship and the Countess of Mayo  
 I must take an interest in all those whom  
 you both love and shall therefore be oblig-  
 ed to your Lordship to inform me of the  
 particulars of the will. I trust Mrs:  
 Smith is properly remembered for her merit  
 and long attendance on her Majesty's person.

husband.

The Dutchess unites with me sincerely  
in every kind of good wish towards yourself  
and Lady Grey.

So please you both to believe me,

My Dear Lord,

Yours most truly

W. Marshall
