The Lord Steward  
3<sup>d</sup> Feb 7 1833

Marble Hill  
Sunday

My Dear Sir

I am much disappointed  
at not receiving any positive  
direction from the Officers  
of the H<sup>o</sup> of Commons. The  
Statute is positive, & direct,  
that no oaths are to be  
taken before The Lord  
Steward.

I wish you would go in  
person to the H<sup>o</sup> of Commons  
early to morrow, & ascertain  
either from the Clerks or  
Mr Manners Sutton whether  
I am expected to attend or

Tuesday. It will be very  
unpleasant & indeed  
dangerous for me to attend  
but I will go, if required.

Be so good as to send me  
answer to me by Express (not  
waiting for a coach) as  
early as possible, to morrow,  
as if I am to go, I must  
sleep in town to morrow night.

Yours sincerely

Wellesley

(T. Marable Esq)
