Castles Town
28th July 1859

My dear Sir

I submitted to the Prince the
expense of His Chancellors Band (I believe
consisting of the Schramm, Bridgetown,
Holmes & Giesbach.) & have received His
Royal Highness's commands to desire
that they should be discontinued. I shall
call on you before I leave town & hope

some further reductions may be practicable

Yours most faithfully

B. Moonjits
