

To
Lady Charlotte Bruce

30 June 1795

Downing Street.

GEORGE/MAIN/36438

My Dear Lady Charlotte. I do this instant
hear that dear Lady Elgin is very ill, I still
hope this not to be true, but if so believe
me none feels more for you than I do, & they
if you have leisure to let me know by one
line how she does.

20th June
1795.

Your affectionate Friend
Charlotte

Compliments to Lord Elgin, & Love to Mama.
