S. James
March 8. 1793

Dear Mr. Whitehead,

In answer to yours

of 1st inst. I am to advise that you had better
make the best bargain with Mr. Henderson as
you will undoubtedly be satisfied of the first
vacancy in a second rate.

I have my compliments to the Captain of the
Egmont and request him to discharge Mr. Fuller
the 1st of next by ret. the Lord's.

Yours
J. Whitehead
