Dearest Brother,

I have this moment received your letter

with the solicitude & pain for which I thank you with all my

heart, as well as your particular affection in the last

unhappy business. I received 50 £ from the King,

who has likewise agreed that I should not return to London

before I go to America.

My best compliments to Mr. J. tell her she may rely on my see-

-ing.

I am,

Dearst Brother,

Yours sincerely,

J. W. M.
