

My dear Brother,

By Captain P. de you will receive this

and the enclosed state of my health adjusted and signed by both

Judge and Wright according to your desire: you will observe

in their opinion they think it prejudicial for me to return to

the West Indies: the way you will make of this as you judge

best: as for news here we have none therefore do not expect any.

I yesterday wrote to the Colonization to signify that if it was

your wish for me to do fully the thing for the Prothonotary

I shall by all means do so.

Yours sincerely

March 7. 1761.
