Andromeda

March 13th 1700.

Sir,

I yesterday received a letter from
the Duke of York and another from Colonel Statham both
signifying that Your Majesty had been most graciously
pleas'd to order my debts to be paid off: for which I now
beg leave to return my sincerest thanks: this mark of Your
Majesty's parental goodness together with my late ap-
pointment to the Andromeda I feel with the highest
sense of gratitude and want words to express my obliga-
tion to Your Majesty.

I shall be my constant attention to lead that life to
merit Your Majesty's approbation and to use that strict
economy so as not to be again under the necessity of apply-
ing to Your Majesty for relief.

I am,

Sir,

Your Majesty's most affectionate
and most dutiful Grandchild
