Dear Brother,

I am prevented

from being in town today by being at Har-  
-ton Court. I must write these few lines to re-  
-quest you will not go to Windsor till I have  
seen you and have had some serious conversa-  
-tion relative to the Suspendings Bills: I  
shall be with you tomorrow between eleven  
and twelve: till then adieu: my best wishes  
and love attend the Princess and my children

sent you with a Day for whom the Ladies  
must provide: be not unhappy as you may  
and ought to take care of the other persons.  
God bless you and our Believer me,

Yours affectionately,

W. Pitt Rivers
