The Duke of Clarence

Duchy of Clarence.
Friday
High

Dear Brother,

Wear next Sunday

inspired on Ashford Common and shall be
cloathed skin not properly felled: I have re-
-ceived an order from General Fox to prepare
to be reviewed after the first of December
and should therefore be anxious you would
present the Colours before the end of the
Month: I make this request because the
Bishop of Salisbury has just informed me

What a Chapter of the Quarter is to meet at St.
James's next Friday the Twenty Fifth instant
at which if you attend it may be convenient
to you to give us the Colours on Sunday the
Twenty Seventh on which you may dine
with the Corps at the Regatta
Let me know as soon as you can that I may
make every arrangement as we are so much
dispersed.

Mr. Jordan was yesterday brought to bed of a
girl.

Ever yours

J. J. Mearns
