Duke of Clarence

Letter from Jas L Grant.

45004

Bushy Affair.
Saturday
Night.

Dear Sir,

I enclose a letter from my old
friend Grant relative to his near relations Colonel
Grant and his mother and sisters: if there is not any
impropriety in the request, I hope it may be allow-
-ed as it will not cost the Prince Regent much
trouble and I am anxious to serve Grant.

Ever believe me,

Yours sincerely
A. S.
William
