August 26: 1823.

Dear Sir,

The enclosed I was not sent me from
Scotland to be laid before the King: but I feel
-ly think it unjust that Mr. John Sinclair & you
have a favourable opportunity you might
place under His Majesty's eye the just meri-
-ted compliment the Baronet pays to myself.
-The whole I trust Mr. G. Darnley will wish
him.

Adieu and ever believe me,

Yours sincerely
A. Mackenzie
