My dear Papa —  
 Though I'm sure you have made  
 his own report yet I can not help but  
 thank you for the kind letter  
 I received yesterday & to say that our  
 dear Amilia has passed a better  
 night than we could expect  
 considering the fatigues of  
 yesterday but I'm sure you  
 are to have her at 11 o'clock  
 the Duke being very thoughtful  
 nothing can be more  
 comfortable than we have  
 found this House the General  
 you as a famous surgeon  
 & my good Bed is all  
 attention — Yours Dutiful & aff.  
 Mary
