

Princips Mary
November 7. 1809

1809
 Kew Bridge
 Tuesday Morning
 My dear Papa I must thank
 you before I leave this place
 for your kind letter
 which I received this morning
 & likewise for one other
 I got yesterday before I left
 London & which in
 my hurry last night
 I have not time to thank
 you for & express my
 gratitude for & which
 I am more indebted
 but my work to send
 of the copies with all
 best remembrance my

Thanking you for
as we are full all
your kindness, have
dearly thank you
I am happy to say
Dr. P. is well, as he
could expect after
so much fatigue
& she is all anxious
to get to Reading
as soon as she can
when I shall have
no time in coming
up immediately to
the Court
Yours faithfully
W. P. D.
