

Jan. 7 1815

My dear Brother
 I am happy to say dear
 Lily is better to day by suffering less
 pain in her stomach though
 not without pain - Her
 spirit is improved & she is better
 to day - Yours
 G. Gifford

to Miss
 Jan 7 1815

Charlotte dined with us to day
 & passed the evening she was
 not in good spirits but was
 not inclined to talk to me
 & as a proof of this took care not
 to be alone with me -
