

[1815]

April the 15  
I found my little Sister Susanna  
considering how ill she was  
I thought my dear Brother  
Dr Buller says she has too  
much fever this evening  
but he hopes it may go  
off in a few days with  
care - The little family  
for her is ever & she will  
thank you very soon as  
soon as she is able -  
The dinner appears quite  
well & but the more  
for the Dovesing room  
I find Charlotte has  
one called by her Mother  
last letter that she is

likely to come to England  
 at the time she first  
 proposed all I can say is  
 that on Thursday when  
 she told me she had  
 received a letter from her  
 mother she particularly  
 said ~~she~~ <sup>she</sup> ~~was~~ <sup>was</sup> ~~very~~  
 asking her when the  
 10<sup>th</sup> was to be expected  
 that she did not know  
 the subject in her letter  
 of her own return The  
 letter was sent by her  
 husband enclosed to the  
 Dowry by 10<sup>th</sup> October & the  
 date of the letter the 11<sup>th</sup> of  
 March - The King is great
