My dear Mother  
 Anthony has been  
 a very great help & supply of  
 tobacco here - I have had  
 letters from Dolly & in  
 one he tells me that the  
 D of Browns wish to go on  
 as well as Browns wish &  
 makes himself a deal like  
 that these of the richest  
 families of the County are  
 coming to settle at  
 Brown thus he adds  
 "will be of great acquisition  
 for us & I shall do all  
 I can to keep them here"  
 Your Affectionate Son  
 Henry
