 my dear Cousin  
 The Prince of Wales  
 I can not let Dilly go without  
 sending you three lines to assure  
 you for as near the 12 of August  
 news can be brought by me &  
 I trust you are assured of  
 the truth of my sincere and  
 heart felt attachment <sup>but</sup> to my  
 name in the subject & take  
 up your time as long  
 as possible which if I attempt  
 never could do justice to all  
 my best love for you  
 & I flatter myself after the  
 many years we have  
 lived each other you are

already acquainted <sup>being</sup> ~~with~~  
~~the~~ my heart & soul with  
& long for your happiness  
& real welfare. I am sure  
enough to hope a little  
Bro Dolly is to give you  
in Sister Ann's &  
my name will be  
accepted by you in your  
usual good natured kind  
way & trust wherever  
you make use of it it  
may but your mind  
of those who love you  
dearly but we are  
more affectionately than  
Yours sincerely attached
