[1850]

Windsor Castle  
 Nov 24

Many thanks for  
 your kind little note  
 about Sister and I  
 warmly enter into  
 all your various feelings  
 at this moment  
 & feel sure God can  
 his blessing will  
 give you a triumph to

To the Duchess of Cambridge

[1850]

~~stand~~  
 against all the  
 trials you ~~are~~  
 surrounded with, as  
 we have seen the  
 last 4 months, <sup>in</sup> which  
 you have shown  
 such extraordinary  
 perseverance to  
 the last ~~last~~  
moment until

with the sword soon  
~~been~~ <sup>on</sup> the last  
 some moments  
 when you last appeared  
 at last all courts you  
 were graced all  
 courts where you  
appeared all your  
appearances & mode  
generally respected and  
admired by me

more than I could  
when really work at  
your with wonder  
to surprise / that I  
abouted your power  
to do so from the  
first moment of your  
life; but that I  
considered the flow  
so wonderful & so  
sublime I found the  
effect of my power

in your power already  
 broken from the  
 various subjects of an-  
 -xiety you have had  
 for so many years  
 I hope to encounter  
 the Affairs in Germany  
 are not without  
 some it is all to be used  
 God knows - great  
 anxiety is expressed  
 whether they will be

I picked up following  
 from yesterday Sept  
 down quite soft &  
 will use most  
 warmly & comfortably  
 lodged in the Apartment  
 close to the Junction  
 room & the room  
 very warm & secure  
 and off & kindly by  
 Victoria & Albert -  
 I only saw the two  
 boys the first night

& they are both fine  
 & nice children -  
 Matron & her lady  
 the lady & her & she  
 made handsomely  
 enjoyed the afternoon  
 & when played in the  
 Park & beautifully  
 yesterday evening  
 so fine & lovely that  
 I went out in the garden  
 & saw all the  
 attentions in that place  
 & little Park & was quite  
 charmed with all I saw  
 at the Palace garden

at work in my respect  
I come home in good  
time for I have been  
out out of work after  
- weeks - All the children  
approach at dinner  
They really are charming  
I got up at 10 o'clock  
on the 6<sup>th</sup> of the month  
The 2 come with  
the two little boys &  
when they left  
The Mrs. came  
The evening passed as  
usual but the  
between the conversation  
was kept up pretty well

This morning I am going  
 to make the spy school  
 report at 12 o'clock  
 in the afternoon the  
 command people are  
 captured - The A. Bishop  
 comes to dinner today  
 & the children are very  
 down with the Cattle -  
 Let Sedell is very  
 anxious all night  
 every day your satisfaction  
 - for him see regard to  
 the case says in your  
 your time & be done

The other family in  
 hands, and a proper  
 movement to the  
 whole memory -  
 It will try to come  
 down to the end  
 Saturday of the day  
 is fine & mostly  
 more quiet will -  
 but as it is much  
 colder to day not  
 venturing out in

The other family -  
 offer to all clergy  
 some the same  
 all kindness which  
 you all & begot  
 me to find out  
 what would be  
 most useful for  
 me to you having  
 me to be further  
 keeping the household  
 present for after  
 the Conference

I may mention about  
the performance and  
concern to me here  
with respect to  
comparably settled  
God bless you  
Yours truly
