

1856

White Lodge Sept 26 1856

My dearest Sir
 Your most welcome
 letter dated the 2 of Sept
 reached me yesterday
 sorry I am so long
 dear Guy is with you &
 hope his study goes
 with you & may bring
 up without any down
 back & that the accounts
 from Shirley may be
 more comfortable & that
 your dear Society will
 help to cheer her

1856

through a loop I can not
 see the back of
 the cross but certainly her
 eyes must be to her
 face or near him -
 but change of air &
 Secorin will do her
 good & your kindness and
 offer - I am happy to
 tell you I was repaired
 & in my next
 come yesterday from
 July just this is what
 until near 6 o'clock

& I saw dear old Annula
 from Clonmont for 5
 minutes she is quite
 a wonder of the World
 looking so well & walking
 about as she did five
 or three years ago & all
 about her say she is
 now in perfect good
 health she is going
 with the General to the
 sea side in place fixed
 yet & then return to
 be shut up at home. It
 for the winter as she
 will not have English
 for winter - I also saw

Dear my J. I received your
kindly letter & was glad
to see I was improved
in a quiet way & feeling
I might myself. I send
you my love & hope
like Budm't the Society
and so in every part you
are glad to see again
I am happy I mean to
will be home Tuesday
he was engaged his work
at Gordon's but I am in
in game in Scotland I then
he is now gone to Bellona
I am expecting a visit
from the P. of Wales today
all the way from O. Home

You will be sorry to
 that the accounts of
 the  your command have
 been much worse than
 last two days & last night
 they considered her dying
 her mother & by your
 with her with such
 suffering at about night
 he considered a release
 she was so good & was
 submitted with such
 resignation to all her
 trials that her change
 must be a happy one
 for herself - come when
 will - She was very

Devotedly attached to you all
in particular to Maria
when I will I am sure
feel for her loss a most
devoted attached friend
but I know not how
is our only support at
may be so from what
I know but every body
can surmise me about
it feel she is my wife
Pray always remember
me to all your family
Gladly for the few lines
in your letter & I am
glad the letter all I
sent her by you I wish
a long letter to Anna Adolph
you truly as I thought it
might arrive I am truly
