

 My Lord
 I trouble you with this
 letter to inform you
 that I am desirous
 to appoint Mr. Arundell
 Sedgill your brother
 to my household, but
 as I understand he
 can not accept this
 invitation without
 your sanction
 I have in the Queen's

I venture to hope you
 will not object to
 your being here to
 hold the appointments
 as he is sent across
 to receive in the
 Grants & I am equally
 anxious he should
 not give up his Proposition

Yours Truly
