

1811

My dear Mrs Adams —
 It is time to thank you for
 the kind letter received to day
 along & some letters just to say
 as the King's Deed continues
 put in the same kind
 deplorable state full as much
 lost & confused as ever. The
 body strength certainly
 in some little degree
restored from some sleep
 however not nearly even
 a bed night only an hour
 or half sleep — after eating
 nothing for a fortnight
 we called for some medicine
 yesterday & eat some food
 a shower bath & water
 after in the course of the
 day & night appear to
 sleep upon every thing

I described in a letter of the
 former his own thoughts
 he says in the enclosed copies
 but they don't seem to have
 appeared to be intended to
 do any thing that being
 in great haste
 otherwise he is beautifully
 satisfied & happy rather
 than who for his soul
 in constant anxiety
 they - He gets up the
 soon up sleep & in his
 mind ~~cannot~~ more than
 last two days - He in his
 great pain & never attempts
 to come out of it - He is
 more dreadfully than
 but in life which there
 could be expected
 He is not in a state for

 the volume of the last paragraph
 is supposed to have for the
 Government — I am glad
 to find Gen Adams is
 again so well & continues
 in so happy a state
 I wish you was here
 for Mr & Mrs Pitt's visit only
 for Gen Adams's sake
 but because as I have
 thought it worth a chance
 of seeing you — I
 do not see how I can
 give the Williams title
 yet & if the Government
 to be as fine a child as
 our Brothers —

Yours truly
