My dear Mrs Adam

I should have answered
your kind letter yesterday if
I had had a moment to myself
as I should be sorry if you thought
me one moment behind hand
in ^{answering} ~~answering~~ ^{replying} ~~replying~~ to you so sincerely but
all the kind expressions contained
in your letter ~~show me~~
I know your heart full well
& am assured of the truth
of all you say & am much gratified

Do I feel at your recollection
 of the 25 - I am truly sorry to
 find you have been so much
 ill - though you will
 be well enough to come
 & see me during my
 short stay in town this
 week I wish you would
 call at the 24 by two o'clock
 next ^{Monday} ~~Friday~~
 when I shall be delighted to
 see you & Lucia - with kind
