My dear Mrs Adams

For words can
describe the joy your letter
has given me - I felt
certain when once the
Prince heard. How you
was all interested he
must see you could
not be otherwise -

Many thanks for returning
me your letter -

I hope you will let me
know when we may
expect you at London
The Duke has proposed a

just right & is very compact
to suit the business
the mind just the same

Yours

Wm
