My dear Mrs Adams I am commanded  
 by the Director to say you will  
 bear the trouble to let her have  
 the Receipt for washing & powder  
 which you sent you her when  
 you was at Augusta bridge  
 & which she has unfortunately  
 lost I am sure you will be  
 glad to have the same things  
 again but this time as part  
 of reward she will send a  
 proof of this she has not here  
 I should have for reward these  
 quarters and when ever they  
 wish him to be shown the

 him really, but his general

 as it is his duty to do so  
 but he will be a week or  
 left to write - Poor lady's health  
 however is not so bad health  
 but her spirits are worse -  
 There was a Augustus
