

1812

My dear Mrs Astor  
I told Mr Bayly last  
night that you  
expected William  
to say he desired  
me to say that  
he never would  
forget William  
if he was not  
alive in the land  
at the Supper Table  
for Mr Bayly  
says he shall  
be equally glad  
to see him

1812

& upon reflection  
 see how better  
 since with the  
 for the year I shall  
 come to  
 me after dinner  
 when the gentlemen  
 come to our party  
 at 8 o'clock -  
 we will come  
 to your dinner  
 tea with the  
 14 - & then you  
 can go home  
 at 9 o'clock

have been  
 comfortable the  
 rest of the evening  
 I shall have the  
 I's please get  
 but I shall  
 need your word  
 do more as I  
 I want to  
 follow me  
 I hope you sleep  
 well I am  
 sure I have  
 not an  
 inconvenience  
 of the house
