My dear Mrs Adams  
 A thousand thanks for your  
 letter. Eugene was  
 better & probably this time  
 you are quite recovered but  
 the weather is so disagreeable  
 that you is only able  
 to wish how any one can  
 be well —  
 With this note you will  
 receive the parcels for  
 Auguste's formation & will  
 find more next week  
 but I don't not trouble  
 the Dr with more than time  
 I hope you will approve  
 of what I have sent

I must tell you for your  
comfort that Mary is  
quite well & in great  
health

Believe me

Yours  
affectionately  
Elizabeth
