My dear Mrs Adams I must try to thank
you for your kind letter received
yesterday by which I suppose to
find you have kept a comfortable
week with your Brother at
Greenwich & am pleased to find
that your friends at Sydney seem
well but never of your leaving
them God, as I never expect
to see them you get as well
as some change of air &
the kindness of those who love
you as kind help to restore
your health to operate I only
try to know how in these days
before you come to visit
to have the best and
I am glad to say I cannot
not agree to Mr Lawrence
concerning the business, because
I know the same never will
come into it and I go upon

what happened since December

 not think it proper she

 I put it round to her
 to ask for what I am
 certain would be refused
 but I promise you that
 I will not forget being
 present to the good time
