

Nov. 6. 1813

My dear Mr. Adams I received your kind
letter by which I rejoice to find all
your Grandchildren have
quite recovered the measles
& hope the present has done
them no harm — for I
suppose as usual she is in
the family way — Mother
Keay keeps quiet but will
not be shamed & it is some
time since she has been the
same it was some while
she appears to be well in
all respects the disease
remains the same —

quality is being given in with
 fullness but some seem to be
 ill & is much reduced
 as to strength, but still
 Ambrose looks as if he
 time will set her eyes again
 the account of the better
 unless we are very indulgent
 truly I hope is rather
 she desires her aff. love
 to be to be & to be
 my aff. love
