My dear Mrs Adams -
I write in haste to say
I am quite well & have not
much to say before you to express
the delight & pleasure I feel
in seeing you & your children
at London & how much I
feel obliged to you for your
kind note - but I have been
employed very much since
you left us just with some
company & have usual
attending the L. & B. & B.
suits & for the last week
fully occupied in assisting

will & all her children
 In our next business for
 your former Lord Polington
 all the reports done were
 sold & one sent per those
 who have succeeded
 relations - Much is given
 I hope but so so -
 because this business
 seemed but I am well
 off to go to England
 I will stay
 love to her
