Walsingham 1818

me so enter into
 long explanations in
 a letter is impossible
 therefore I can only
 say that the Duke
 since of letters in
 the trial and
 in particular his
 not attending the
 address from Cambridge
 could not be
 expected to think
 & where the R

mind to the High
 he hoped the Duke
was not - the Duke
 felt he could not
 go to the house after
 that in December
 from & in consequence
would not allow
of my going with
out leave
 I shall not make
 any remarks by
 about the address
 but thank you

known to me & love the
King & our country
the whole heart
and - We have all
our duties to perform
& I cannot but say
I am glad
& therefore I believe
God in his mercy
will assist and
preserve them
God bless you here
this letter & please
