My dear Mrs Adams - I write to you
 you know I am to send you the money
 I promised you - I am afraid of doing
 so by the Post unless you
 otherwise see to do so - I have had
 here all of letters missed and
 unaccountable but for all that
 I am going to New York for
 a few days - I have the Miss
 quarter well - I shall be
 two days at Brighton, but
 wish to see you -
 My mother I see, I am
 she comes to see the 4 until

me go to some extent as in the
for good - There has been very little
but better - The weather has
been so much I have been out
most days in the year (many)
I have got a Darling Perry -
that I drive happily -
Any opportunity to all your
children I hope
I am
Yours
Perry
