Dear Mr. B.P.

Any doubt I had about - a cold & business
 in my land have prevented my
 thanking you more for your last
 kind letter - I think I had
 sent you in a letter which
 I think some will not see
 with anyone - but when an
 exact texture is so essential &
 suitable as business is done
 it must take a little time
 I am obliged to be careful of cold
 therefore have been but little
 in my garden of late
 I am delightfully sensible
 of Augusta's dear name to be

at home last Sunday & today
 contain Myra & dear George
 They are now with me they
 have me kindly when I feel
 very patient. My daughter Mary
 dear Myra is going to try
 again & George is making to
 get back in time to attend
 her - We have been along very
 quietly & comfortably at this
 place now & work & I have
 found the day very long
 for all I have to do -
 Thank you for the good
 but as will appear
