July the 16<sup>th</sup> Gt 1822

My dear Mr. Adams - I just saw  
 the Post to tell you I have had  
 the happiness of seeing dear Anne  
 & William which was delightful  
 and Anne is to depart with  
 me Thursday & will be by that  
 I may see her in camp -  
 I was delighted to hear so good  
 an account of you & that her  
 Fulford was better - I have had  
 more than attacks of the same  
 I wrote last week Fulford was  
 recommended to me by two letters  
 to me & I was going for  
 there under the 31<sup>st</sup> of this  
 month which I hope may be of

use — You will I am sure be  
 shocked to hear of your Belongings  
 having been seized to pay the  
 County in account of debts  
 & by Mr. Little your motto being  
 I find the own living to my  
 hope in some & that the  
 Debt is incurred — The World  
 tells many dreadful stories  
 against him, but as he  
 is not a Prophet he can have  
 no right to be attended  
 or believe all that is said  
 He is now gone to Scotland  
 the 5 of August by Sea
