My dear Mrs Adams  
 A few lines to say I have  
 been out some time in my carriage  
 & really feel better — I have been  
 busy at this my time for some  
 time nearly none — I regret  
 more with the less my usual  
 attend in looks — you at  
 least of your kind —  
 I wish I was happy to say but  
 do you know you are some  
 things & so soon in letters  
 with the steam we live here  
 years — Mr R came to some  
 last night & I was just

sent you to go. I was  
wondering how small you  
all my moments from  
about you - I had the  
happiness of seeing you  
in the picture when I  
stayed your father & then  
as to being in business  
Daughters were always  
born in the business  
Yours  
Henry
