Many thanks for your kind letter
 they would give pleasure and I am
 assure you I have not been full
 of illness since the Friday I was
 at H. - but the cold winds have
 brought in the so which has
 obliged me to be careful -
 but on the whole I am better
 & all the sick are so. The
 accounts from Brighton particularly
 good that quite well as to
 health but still some -
 Indeed all the letters are
 the change of air and by day
 would be well if we had better

another - I had a papering done of
 Williams there days ago & I
 was getting into my carriage
 he called to say that he
 had been ill in water
 one of them I recollect she
 was named he could not
 bring them - I am delighted
 to find her school I am
 glad to befriend it will be a
 pleasure for the families
 to meet altogether & be a
 protection to each other
 I never heard of any thing
