My dear Mrs Adams's kind letter
 in this moment received & I take
 up my pen to say that since
 I wrote last I have not been well
 feel with a Pleuris attack &
 since that the 1st flying about
 through but on the sick list
now I am not quite the
 strong yet — & should to take
 care — You will be glad to
 hear that it is quite well
 again & was beautifully
 received at Dorsey Lane Saturday
 & he was for the party
 in boat of the Anne & C^o —
 I think believe quite well
 again — I have not
 to Adams yesterday & she is
 quite well —

Reply has been long since making answer
& engage it of all things and
get a good home - The account
from America quite satisfactory
The of course then end of the
promise - I hope to hear
of it - Since our remaining
things I should like to
say, but in letters that
will not do - Long affection
to friends, I hope you have
more of the letters from
before & believe me

Yours
Mary
