May the 18 - GA

My dear Mrs Adams - I am so very
 glad indeed to find you from
 Sister in such a rich heavy
 affection & mother in whole
anxiety and alarm concerning
 our dear Daughter who I pray
 God may be restored to her
 with ease & the blessing of God -
 I am glad your children would
 not allow you to go to her as I
 do think it would be best to
 write for you - some time hence
 it may be a comfort to you to be
 to meet - You will be glad to hear
 I was the same for you to
 your dear home & I am happy
 to go out to these homes that
 ever remin me in the
 ground floor - and I don't venture

to walk up & down stairs yet —
 things much stranger — We
 expect the furniture about the
 front work in June & they are
 to be in the D of furniture
 appointments at all times! —
 I shall see send some returns
 of God which presents the
 drawing some & it is put off
 until the 9th of June —
 I shall go into the family
 next week for the House —
 I think I trust will return
 quite well — I shall be glad to
 fall from his House but thank
 God was not hurt — I am
 sure I may congratulate
 you on the success in
