B. P. August 9th  
 Many thanks dear Mr Adams for  
 your kind letter & useful comment  
 you have sent me which does  
 perfectly well & I shall certainly  
 send it on the first cold weather  
 The frame was very good, but I  
 own I liked what was made  
 at your Home but it was to  
 much like lutter to please me  
 but August 9th all these with  
 me at the Annual enjoyed  
 I much. The matter has been  
 delightful & I have enjoyed  
 the very (view of all things)  
 & have sent it just done

I arrived Saturday with the King  
 when I had the comfort of finding  
 quarters well & very fully accommodated  
 being in a room also as still  
 engaged - August 2 I was  
 endeavouring to keep with the  
 account & of the weather paper  
 price I was to give a little  
 for the after noon for some  
 small children at West-  
 -more - I put it off until  
 August came, thinking  
 she would copy it

I suppose you found all well at  
 Hyderabad & please send me the  
 copy to London accordingly and I  
 must think it a proof that you are  
 pretty well - copy here to London  
 please and give Mary  
 her share to follow

my  
 Dear  
 friend  
 still  
 in  
 love  
 hope  
 all  
 are  
 well  
 I
