It is not true that the King is disappointed
 the question need not be in terms is
 fixed in your favor (and) I am
 very far from being disposed to the
 question when everything at the
 same time I am sensible I am
 bound to give you the word and
 under go it. It is a subject in and
 your hands are very in the
 and must come from himself

I am sure I am sure to be most
 kindly remembered to you & hope
 me to add how very true is for
 your present affection
