

June 11. 1825.

My dear Mr. Adams —

I hasten to thank you
for yours & to say that long
before Adolphus came to England
his note to the King had been
found here & I was for some time
& one of the great objects in
coming was to see the person
the Duke had recommended
& he is already in a
manner appointed about
the 1st of July — Therefore I can
say to you your application
is come to late — Therefore
I thought it better to say

Nothing about it however should
 I find that the Bygone
 has not succeeded to please
 them I will then not
 lose a moment in
 running your gun. I
 shall be most happy
 to see him when he
 comes to town
 The of Ambrosia
 with the of of
 is a great joy to all
 the children quite
 charming the By
 only the girl interesting
 but in front

And that really got me here;
during my own illness
I was too faint - I require your
letter to be happy among
our daughter

Yours
W. P. P. P.
