My dear Miss Adams

I have been much
 in the necessity of writing
 you I had since I wrote
 last but thought you would
 excuse me this time
 as you are in town
 writing letters & collecting
 do not say you will not
 take care of the money
 to Mr Green and Mr. Brewster
 & all the letters for the
 good & only that I have
 many thanks for your
 kind kind letters I was
 delighted to hear from
 but I cannot say good
 night of you all

In a full of all the kindness
I'm named from you & all
the blessing to you -
I wish you the ^{best} of
prosperity I shall not
be here I'm before the 20
when I go to B.M. - but
in hoping to get quite
empty of it but I am
very much with the
very accounts of the 2 of
the things the other
I'll when has been very
all with me of the
spiritual part of B.M.
from God bless you to
I'm in the
your money -
