W.M. 1826

My dear Mrs Adams -
 I have to thank you for your
 kind letter & to assure you I
 will not forget to receive George
 & the Dr. of Pillsbury
 when I see him - & that
 I will do all I can for him
 He goes to some business &
 I shall be very glad to hear
 of him as the last fortnight
 I have passed a most tedious
 time running but then
 I am nearly suddenly
 which has struck me

... The Duke is far from
well & I should be glad to
hear in some number of
things...

Yours
Mary
