Thank you for your
truly kind letter which
gave me very great pleasure
as it contained the account
of your Brother having
got the situation he has
so long wished for I should
thank you to the Duke
of Cumberland who is now
accepting of a pension being
promised to assist the
Queen — I thank you

 he had better write
 to him at all events
 I wish Mr Adams would
 go & leave his name
 at Mr Adams's apartments
 as he really has been
