My dear Mr Adams -

A thousand thanks
 for all your kindness in the
 matter of my bottles. It is a day
 that will ever be looked forward
 to with feelings of gratitude
 for all the happiness I have been
 allowed to enjoy & with the ~~greatest~~
~~of regret~~ great regret that
 so many that kindly would
 take interest in that day are
 no more - what a joyful day
 would it be so many painful
 recollections of that sad time I
 thank God this day is over
 when I ever see you ever
 understood - but please me

I am most sensible of all the pleasure
 left & have many kind friends
 that have marked the day that
 I ought to be well acquainted
 I hope I am as grateful as I ought
 to be - that came to I am greatly
